How easy it is for young \$ girls to go into the "decline." They eat less and less, become paler and paler and can harldy drag through the day. They are on the steady downward course. Iron does them no good; strychnine and bitters all fail. They need a food that will nourish them better, and a medicine that will coro rect their disease.

LONDON, March 29.—The most serious indictment of the Boers' methods of warfare yet appearing in England comes from Julian Rulph, the American correspondent, in a letter from Kimberley, published in The Daily Mail. It in part is as foil ws:

"It is a war steadily and stealthily planned by the queen's Dutch subjects and the Dutch republics for fully 20 years. For between four and six years they have been equipped for it. They began purchasing arms and planning defenses before the Jameson raid. Let no one fool you with the falsehood about that. Finally President Kruger begged President Steyn to declare war three years before President Stevn consented. Next rid your mind of the notion that you are crushing two farmer republies. Women are Like

Flowers. Healthy and strong they blossom and bloom. Sickly, they wither and die. Every woman ought to look well and feel well. It's her right and duty, but she might as well try to put out a fire with oil as to be healthy and attractive with disease corroding the organs that make her a woman. Upon their health depends her health. If there is inflammation or weakening drains or suffering at the monthly period, attend to it at once. Don't delay. You're one step nearer the grave every day you put it off. Women can stand a great deal, but they cannot live forever with disease dragging at .. te most delicate and vital organs in their body. You may have been deceived in so-called cures. We don't see how you could help it-there is so much worthless stuff on the market. But you won't be dis-appointed in Bradfield's Female Reg-ulator. We believe it is the one medias much difference between it and ther so-called remedies as there is etween right and wrong. Bradfield's emale Regulator soothes the pain ops the drains, promotes regularity rengthens, purifies and cleanses. does all this quickly and easily and aturally.
